

Acc/Gyro->ICM-42670-P
Magnetometer->IIS2MDC
Barometer->BMP388
Flash Mem->W25Q128JVSQ
MCU->STM32F405RG76
LDO->LD39200PU33R

2xSPI
2xI2C
4xUART
1xSWD

The communication protocols and their quantities used on the page are listed.
The quantity and names of the components on the page are listed.
This page provides a summary explanation of the project using block diagrams.
Schematic Block Diagram
